Report of EMERG's Editorial Board

In December 2022 a voting procedure took place to complete the EMERG Editorial Board with the following 5 new members:

- **Gianfranco Chicco** - Full Professor of Electrical Energy Systems, *Politecnico di Torino, Italy*,
- **Aleksandar Vencel** - Full Professor, *University of Belgrade, Faculty of Mechanical Engineering*,
- **Michel Troquet** - Expert auprès d'ANECA, *Polytech Clermont-Ferrand, Université Blaise Pascal*,
- **Mircea Scutariu** - Technical Principal, Energy Transmission and Distribution, *MOTT MACDONALD GROUP*,
- **Philippe Geril** – Co-Founder and General Secretary of *EUROSIS ("The European Multidisciplinary Society for Modelling and Simulation Technology")*, *Ostend, Belgium*

The CVs/short resumes of the new members were presented.

Regarding the vote procedure, the results are:

- 23 votes in favour
- 1 abstention
- 0 votes against
- 10 representatives did not submit their votes

According to the voting procedure the addition of the 5 members to the Editorial Board of EMERG is considered approved.
